The Truth about Betsy Ross

Everyone has heard the story of how Betsy Ross sewed our country's flag. But, how many know that she lost two husbands in the Revolutionary War, raised six daughters, and was one of the few women of her time who enjoyed

the right to vote? The US History Association gives Ross credit: "Betsy Ross sewed the first American flag. When we view the flag, we think of liberty, freedom, pride, and Betsy Ross. The American flag flies on the moon, sits atop Mount Everest, is hurtling out in space. The flag is how America signs her name. It is no surprise that Betsy Ross has become one of the most cherished figures of American History." Join us as Susan Gallerito from Chautauqua Programs turns to the past and performs as Betsy Ross in Colonial America.
