Dear Residents,

We have no new cases of the Coronavirus disease (COVID-19) at Splendido. I am happy to report that recent routine test results for employees who work at Sonora are coming back negative.

Here are some updates for our community:

BILLIARDS ROOM AVAILABLE:

The Billiards Room is now open to residents who follow safety protocols. Please wear your mask at all times in the room, maintain a physical distance from other players, and wash or sanitize your hands frequently.

RESTAURANT UPDATE:

- Dinner in Alonzo's is growing in popularity, and we appreciate those who are dining there and building momentum!
- Al fresco dining on the Granada Patio continues to be a resident favorite, and October reservations are filling up quickly!
- Feel free to drop off your Culinary reusable containers in the bins near the A/B elevators or by the water machine on D Wing.

Thank you for doing your part to keep us all healthy and safe!

For general questions, please call (847) 492.4651 or email bewell@thematherevanston.com.

Sincerely,

James C. Edwartoski
AVP & Executive Director
