

November 2, 2020

Dear Splendido Residents,

We wanted to inform you that we learned today, November 2, 2020, that **an employee in Sonora has tested positive for the Coronavirus disease (COVID-19)**. The employee is recovering at home and following guidance from their physician. We wish them a speedy recovery.

We continue to conduct routine testing for employees who work at Sonora, which is required by Pima County Department of Public Health and the Centers for Medicare and Medicaid Services (CMS). Splendido is interviewing this individual to determine if he/she was in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

INDEPENDENT UPDATES

We have no new cases of COVID-19 in Independent Living.

This continues to be an unsettling time for all of us. Each of us play an integral part in infection control. With the rise in cases, we ask that you consider ways to protect yourself and others. **Please continue to practice physical distancing, proper hand hygiene, and wearing a mask that covers your nose and mouth.** The health and well-being of residents and staff continue to be our top priority.

Questions? Please call (520) 878.2601 or email bewell@splendidotucson.com.

Take care and stay well.

Sincerely,

James C. Edwartoski
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.

COVID-19 SYMPTOMS

If you are experiencing any of the following symptoms, you should contact your physician for guidance, stay in your home, and notify the Concierge at (520) 878.2600. Symptoms include a loss of taste or smell, cough, fever, sore throat, shortness of breath, and gastrointestinal issues such as diarrhea, nausea, or vomiting. Newer symptoms include headache, chills, and muscle pain. Please note that pink eye, eye pain, or vertigo, as well as discoloration of the toes may also be COVID-19 symptoms.
