

COVID-19 UPDATE

December 31, 2020

Dear Employees of Splendido,

In addition to the positive COVID-19 cases reported earlier today, we have learned that **an external health care provider who had been in Sonora seeing residents has reported that they have tested positive for COVID-19.**

Splendido is interviewing the individual to determine if he/she was in close contact with residents and/or other employees and individuals will be notified.

Please be sure you read our previous letter, which includes important information about **the COVID-19 vaccination clinic for all Splendido employees on Monday, January 11.**

Wishing you and your families a safe and Happy New Year.

Sincerely,

James C. Edwartoski
AVP & Executive Director
