

COVID-19 UPDATE

December 25, 2020

Dear Splendido Residents,

TESTING UPDATE

As a result of routine testing, we learned **that one employee who works in Independent Living has tested positive for COVID-19.** Due to the holidays, some test results are pending.

The employee is following guidance from their physician. We wish this individual a speedy recovery. Splendido is interviewing this individual to determine if he/she was in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals will be notified.

Wishing you and your families a warm holiday season.

Sincerely,

James C. Edwartoski
AVP & Executive Director

COVID-19 VACCINE FACT

COVID-19 vaccines will not give you COVID-19. None of the COVID-19 vaccines currently in development in the United States use the live virus that causes COVID-19.
