

COVID-19 UPDATE

August 5, 2021

Dear Employees of Splendido,

We wanted to inform you that we learned yesterday that **an employee who works in Sonora tested positive for COVID-19**. We wish them a speedy recovery.

Because of this case, we will implement some new guidelines for Sonora, as required by the Arizona Department of Health Services. Please note that there are **no changes in Independent Living at this time**.

COVID-19 TESTING IN SONORA:

We will immediately begin testing Sonora residents and staff for COVID-19. This testing will be conducted twice a week for 14 days, or until there are no new cases for 14 days.

SONORA VISITS ON HOLD:

All indoor and outdoor visits are suspended until we have no new COVID-19 cases over a period of 14 days. Please contact Sonora if you would like to schedule a compassionate care visit.

Please know that we will continue to take necessary precautions to protect those who live and work at Splendido.

For all residents and staff throughout Splendido: thank you for doing your part by continuing to live a low-risk lifestyle, including avoiding large gatherings, washing your hands frequently, wearing a face mask when outside your home, and maintaining physical distancing.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
