

# COVID-19 UPDATE

January 13, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **two employees in Sonora and one Sonora resident have tested positive for COVID-19**. We wish them a speedy recovery.

Splendido is interviewing these individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

## **UPDATE ON SONORA:**

Due to these positive cases in Sonora, we have implemented outbreak protocols, which include testing of Sonora residents and employees twice a week until there are no more positive cases for 14 days. During this time, residents may have visitors in their suites and masks must be worn at all times.

Please be assured that we continue our commitment to keeping residents and staff healthy. Our collective efforts are the most effective way to minimize the number of cases, and we appreciate all you are doing to help keep our community safe!

## **FEELING SICK? STAY HOME!**

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

Please take care and stay well.

Sincerely,

James C. Edwartoski  
AVP & Executive Director
