

# COVID-19 UPDATE

January 19, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **two employees in Independent Living and an employee who works in Sonora have tested positive for COVID-19**. Note that this is our first time reporting these cases; these have not been reported in a previous letter. We wish these individuals a speedy recovery.

Splendido is interviewing these individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

Please take care and stay well.

Sincerely,

James C. Edwartoski  
AVP & Executive Director
