

# COVID-19 UPDATE

January 23, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **an employee who works in Independent Living has tested positive for COVID-19**. We wish this individual a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

## **STAY HOME IF YOU ARE ILL:**

According to the Centers for Disease Control and Prevention (CDC), the **Omicron variant of COVID-19 appears to be much more contagious than the Delta variant**, and even vaccinated people can spread it. If you have been exposed to someone with COVID-19, or **if you have symptoms—even mild, cold-like symptoms—please stay home**.

**If you are experiencing any symptoms of COVID-19, if you have been exposed to someone who has tested positive for COVID-19, or if you have tested positive, please do not come to work. Please notify HR immediately.**

Please take care and stay well.

Sincerely,

James C. Edwartoski  
AVP & Executive Director
