January 28, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **an employee who works in Sonora has tested positive for COVID-19**. We wish this individual a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

PLEASE STAY HOME IF YOU FEEL ILL:

We are finding that some cases of the Omicron variant of COVID-19 can present with mild, cold-like symptoms.

If you feel ill at all, please stay home and do not come to work. Call your manager immediately, and we can provide some guidance regarding your situation.

The simple steps we are taking are the most effective way to reduce our risks:

1. Practice **good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.
2. Practice **physical distancing** with others.
3. **Wear a surgical face mask** that covers your mouth and nose any time you are indoors in public.

Thank you for everything you do to keep Splendido healthy and safe!

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
