

COVID-19 UPDATE

January 6, 2022

Dear Employees of Splendido,

We wanted to inform you that we learned today that **an employee in Independent Living has tested positive for COVID-19**. We wish them a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

STAY HOME IF YOU ARE SICK:

As we're sure you're aware, COVID-19 is surging again in the Tucson area, fueled by the highly contagious Omicron variant. With the current surge, it's especially important to monitor yourself for symptoms of COVID-19, which include a loss of taste or smell, cough, fever, chills, muscle pain, headache, sore throat, shortness of breath, pink eye, eye pain, vertigo, and gastrointestinal issues such as diarrhea, nausea, or vomiting.

If you are experiencing any symptoms of COVID-19, if you have been exposed to someone who has tested positive for COVID-19, or if you have tested positive, please do not come to work. Please notify HR immediately.

Please take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
