

COVID-19 UPDATE

January 26, 2022

Dear Splendido Residents,

We wanted to inform you that we have learned that **an employee who works in Sonora has tested positive for COVID-19**. We wish this individual a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

PLEASE STAY HOME IF YOU FEEL ILL:

We are finding that some cases of the Omicron variant of COVID-19 can present with mild, cold-like symptoms. If you feel ill at all, please stay in your home to help reduce the spread of the virus in our community.

If you are experiencing any symptoms of COVID-19, or if you have tested positive, please reach out to your physician, and let the Concierge know.

And just a reminder, the simple steps we are taking are the most effective way to reduce our risks:

1. Practice **good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.
2. Practice **physical distancing** with others.
3. **Wear a surgical face mask** that covers your mouth and nose any time you are indoors in public.

Thank you for everything you do to keep Splendido healthy and safe!

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
