

# COVID-19 UPDATE

January 28, 2022

Dear Splendido Residents,

We wanted to inform you that we have learned that **an employee who works in Sonora has tested positive for COVID-19**. We wish this individual a speedy recovery.

Splendido is interviewing this individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

## FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

### **PLEASE STAY HOME IF YOU FEEL ILL:**

We are finding that some cases of the Omicron variant of COVID-19 can present with mild, cold-like symptoms. If you feel ill at all, please stay in your home to help reduce the spread of the virus in our community.

**If you are experiencing any symptoms of COVID-19, or if you have tested positive, please reach out to your physician, and let the Concierge know.**

The simple steps we are taking are the most effective way to reduce our risks:

1. Practice **good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.
2. Practice **physical distancing** with others.
3. **Wear a surgical face mask** that covers your mouth and nose any time you are indoors in public.

Sincerely,

James C. Edwartoski  
AVP & Executive Director

*PS: Please note that this letter is being shared with all residents' current emergency contacts.*
