

COVID-19 UPDATE

May 18, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **three residents in Independent Living have tested positive for COVID-19**. We wish these individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

KEEP YOURSELF & OTHERS SAFE:

1. If you have cold-like symptoms, **STAY HOME** and contact your physician. **If you think you have COVID-19 or were exposed to COVID-19, get tested.**
2. **Wear a surgical face mask** that covers your mouth and nose any time you are indoors in public and avoid large indoor gatherings.
3. Practice **good hand hygiene** by washing your hands frequently for 20 or more seconds, or using hand sanitizer.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
