

COVID-19 UPDATE

June 3, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **a resident in Independent Living and an employee who works in Independent Living have tested positive for COVID-19.**

We wish these individuals a speedy recovery. Splendido is interviewing these individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

FEELING ILL? STAY HOME!

Please continue to follow these simple steps. They are the most effective way to reduce your risk of infection:

1. Please protect yourself by **wearing a good-quality face mask that covers your mouth and nose any time you are indoors in public.**
2. **Practice good hand hygiene** by washing hands frequently for 20 or more seconds.
3. Please **stay home if you feel ill**—even with mild, cold-like symptoms. **If you think you have COVID-19 or were exposed to COVID-19, get tested.**

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
