

COVID-19 UPDATE

June 23, 2022

Dear Splendido Residents,

We wanted to inform you that we have learned that **the following people have tested positive for COVID-19: five residents in Independent Living and one employee who works in Independent Living.** We wish these individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

We are not making any operational changes in the community at this time; however, we encourage everyone to be diligent in taking steps to protect themselves from risk of infection.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
