

COVID-19 UPDATE

October 17, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that a **Sonora resident has tested positive for COVID-19. This is a new case and not previously reported.** We wish this individual a speedy recovery.

Splendido is interviewing the individual to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

TESTING PROTOCOLS IN PLACE:

This case requires us to **continue testing all residents, employees, and independent contractors who reside or work in Sonora twice a week** until there are no more positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

There are no changes for residents in Independent Living.

PLEASE MONITOR YOURSELF FOR SYMPTOMS:

If you experience any symptoms of illness—even mild signs of a cold or allergy—we strongly encourage you to stay home and avoid spreading any illness you may have.

If you think you have COVID-19 or were exposed to COVID-19, get tested. And if you test positive, please inform your HR representative.

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
