

COVID-19 UPDATE

October 4, 2022

Dear Employees of Splendido,

We wanted to inform you that we have learned that **three Independent Living residents have tested positive for COVID-19. These are new cases and not previously reported.** We wish these individuals a speedy recovery.

Splendido is interviewing the individuals to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes).

FEELING ILL? PLEASE STAY HOME

If you experience any symptoms of illness—even mild signs of a cold or allergy—we strongly encourage you to stay home and avoid spreading any illness you may have. **If you think you have COVID-19 or were exposed to COVID-19, get tested. And if you test positive, please inform your HR representative.**

Take care and stay well.

Sincerely,

James C. Edwartoski
AVP & Executive Director
